## WORK EXPERIENCE

### SOFTWARE DEVELOPER / MAINTENANCE DEVELOPER

Emapta | Absorbed from Deployed | Quezon City, NCR

March 2025 – Present | February 2022 – March 2025

- Conducted overall maintenance of existing websites, ensuring all software and packages were regularly updated.
- Handled routine maintenance and security enhancements for existing websites to guarantee optimal operation.
- Maintain Continuous Integration services (Github Actions and Gitlab Pipeline) running tests, linters, security & accessibility audits, and deployments.

### FRONT-END DEVELOPER

ShareSource Australia | Makati, NCR

February 2021 – December 2021

- Creating dynamic and scalable automation templates.
- Contributing and providing feedback in UI/UX design discussions.
- Create quality HTML/CSS/JS solutions to improve and maintain existing templates.

### SENIOR WEB DEVELOPMENT SPECIALIST

StraightArrow Corporation | Pasig, NCR

November 2018 – January 2021

- Developed fully functional, responsive websites from wireframes/designs using various platforms and content management systems.
- Collaborated with teammates to provide solutions and workarounds, ensuring project success.
- Created electronic direct mail campaigns and maintained ongoing website projects for clients.
- Provided technical mentorship to junior developers and supported the team leader as a technical lead to drive smooth project delivery.

### FRONT-END WEB DEVELOPER

TATA Consultancy Services | Taguig, NCR

June 2015 – October 2018

- Created responsive, cross-browser compatible websites by converting design mockups into functional HTML, styled with CSS, and enhanced with JavaScript.
- Maintained and updated existing websites, implementing client-requested changes and revisions efficiently.

### WEB DESIGNER / GRAPHIC DESIGNER

HIBU (Formerly Yell Adworks) | Absorbed from MicroSourcing | Quezon City, NCR

October 2010 – June 2015 | July 2010 – October 2010

- Designed and edited visual assets for websites, including logos, imagery, and layout components to ensure cohesive branding and user experience.
- Translated design mockups into fully functional, responsive websites using content management systems (CMS).
